MARCH 11, 1949

Rear Admiral R. H. Hillenkoetter Director of Central Intelligence Central Intelligence Agency Washington 25, D. C.

Dear Admiral:

I have your letter of 9 March 1949, for which I thank you. I am very much personally interested in the CIA bill, H.R. 2663. I would have helped more on the floor of the House on this measure but it needed no help at that time.

Let me again thank you for your letter.

Sincerely yours,

15/
